ListServer

USGS provides a ListServer using GNU Mailman which is a computer software application from the GNU Project for managing electronic mailing lists.

A mailing list is a list of people who subscribe to a periodic mailing distribution on a particular topic. Mailing lists have become a popular way for Internet users to keep up with topics they're interested in.

Current USGS Mailing Lists Webpage

Instructions:

- Requesting a new USGS Mailing List
- Managing your USGS Mailing List
- How to subscribe to a Mailing List

Security Updates

- VMware Security Announcements: VMSA-2018-0004.3
April 4, 2018
- Meltdown and Spectre Vulnerability Information and Patching Information
January 12, 2018
- Hacking Group APT28(Fancy Bear) putting Malware in to Office Document (whether macros are enabled or not)
November 16, 2017
- macOS Sierra 10.12.6 Security Update Release
July 25, 2017
- WannaCry Ransomware and USGS response
May 16, 2017
- June 2016 update rollup for Windows 7 SP1/Server 2008 R2 SP1 fixes Windows Update Issues
June 24, 2016
- June 2016 Microsoft Security Bulletin Release

Follow the instructions given.

1. From the USGS ListServer homepage
2. Select the list you would like to subscribe to

The screenshot shows the "listserv.usgs.gov Mailing List" page. It features a "Welcome!" message and a table of mailing lists. A red arrow points to the "List" column header.

listserv.usgs.gov Mailing List

Welcome!

Below is a listing of all the public mailing lists on listserv.usgs.gov. Click on a list name to get more information about subscription. To visit the general information page for an unadvertised list, open a URL similar to this one, but with

List administrators, you can visit [the list admin overview page](#) to find the management interface for your list.

If you are having trouble using the lists, please contact mailman@listserv.usgs.gov.

| List | Description |
|---|-------------------------------|
| Final-list | Test mailing list |
| Mailman | ListServer Administration |
| OED-Distance Learning Courses | Distance and Blended-Learning |
| OED-IT Courses | Computer/Information |

3. Enter your information in the text box provided and click subscribe.

OED-IT_Courses – Computer/Information Technology Courses

About OED-IT_Courses

To see the collection of prior postings to the list, visit the [OED-IT Courses Archives](#).

Using OED-IT_Courses

To post a message to all the list members, send email to oad-it_courses@listserv.usgs.gov.

You can subscribe to the list, or change your existing subscription, in the sections below.

Subscribing to OED-IT_Courses

Subscribe to OED-IT_Courses by filling out the following form. This is a closed list, which means your subscription will be held for decision by email. This is also a private list, which means that the list of members is not available to non-members.

Your email address:

Your name (optional):

You may enter a privacy password below. This provides only mild security, but should prevent others from messing with your subscription. **Do not use a valuable password** as it will occasionally be emailed back to you in plaintext.

If you choose not to enter a password, one will be automatically generated for you, and it will be sent to you once you've confirmed your subscription. You can always request a mail-back of your password when you edit your personal options. Once a month, your password will be emailed to you as a reminder.

Pick a password:

Reenter password to confirm:

Which language do you prefer to display your messages? English (USA)

Would you like to receive list mail batched in a daily digest? No Yes

Click on this url to choose your mailing list (s): <https://listserv.usgs.gov/mailman/listinfo>

When choosing the mailing list (s) that you want to subscrib to look for the mailing lists beginning wil “OED”

As you are mailing requests using the form, please contact oad-it_courses@listserv.usgs.gov.

| List | Description |
